Buku

Nood & Kink

Nood Kink adalah Aditya Putra (drum), Gregorius Andika (vokal & gitar), Katarina Drexel (vokal & bass), dan Matias Aditya (vokal & gitar). Berawal dari ajakan lari sore yang berujung ajakan nge-band, Nood Kink digagas tahun 2019 di Yogyakarta.

Nood Kink membawakan musik alternative/indie rock dengan distorsi gitar ringan, bass yang punchy, dan drum penuh semangat. Tema lirik lagu-lagu Nood Kink mengambil tema kejadian di kehidupan sehari-hari, seperti nikmatnya akhir pekan dan peliknya hubungan jarak jauh.

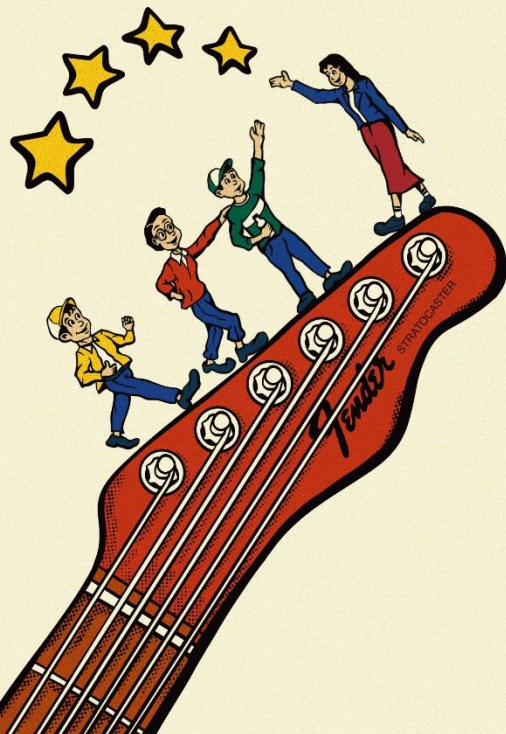

Setelah melewati proses panjang, Nood Kink akhirnya merilis single pertama "Life is Good (and Nothing You Should Worry About)" pada 21 Januari 2021. Single ini turut serta dalam kompilasi *Fresh Meat: A Compilation of Yogyakarta Upcoming Band* yang dirilis pada Oktober 2021 dan bertepatan dengan gelaran *Cassette Store Day chapter Yogyakarta*.

Di penghujung tahun 2021, Nood Kink bersama The Bunbury (Yogyakarta) dan Well Whale (Bandung) mengadakan tur Jawa Tengah. Tur bertajuk "Field Trip" ini berlangsung pada 25-28 November 2021 dengan singgah di empat kota: Ambarawa, Semarang, Purwokerto, dan Yogyakarta.

Sepanjang tahun 2022, Nood Kink disibukkan dengan proses rekaman. Proses rekaman ini begitu memakan waktu sehingga baru selesai menjelang akhir tahun. Terpaut dua tahun dari single pertama, pada 20 Januari 2023 Nood Kink merilis single kedua berjudul "Blue Sunset". Video musik untuk single ini dirilis belakangan pada 31 Maret 2023.

Satu bulan berselang, Nood Kink kembali dengan single baru berjudul "Thank God It's Friday". Single ini tersedia serempak di semua digital streaming platform populer mulai 12 Mei 2023 dan disiapkan untuk menjadi single pembuka untuk mini album Nood Kink yang pertama.

EP perdana Nood Kink berjudul "Something Good" akan dirilis serentak di berbagai digital streaming platform pada 11 Agustus 2023.

SOMETHING

Thoughts Behind Title

Something Good erat kaitannya dengan kehidupan sehari-hari. Segala sesuatu, lengkap dengan keniscayaannya, dapat terjadi bersamaan atau berurut-urutan.

Dari riuh ramai akhir pekan, puncak rindu jurang kasih jarak jauh, masa lalu yang ingin disudahi, hingga segala sesuatu yang berubah begitu cepat.

Something Good dapat menjadi pertanyaan: hal apa yang baik? Jika baik, adakah padanan buruknya? Atau, mungkin saja, dualitas ini tidak ada kaitannya sama sekali.

Dan, pada akhirnya, apabila tidak saling berkait, menjadi kekosongan yang dipenuhi tafsir tentang apa saja. Tafsir, atau mungkin definisi, seperti apa yang seyogyanya disejatkan lebih daripada yang lain.

Bagi Nood Kink, tafsir inilah yang kami kembalikan ke pendengar. Tentu dengan harapan dapat disukai seutuhnya, seperti segala sesuatu yang baik tanpa melihat buruknya.

Thank God it's Friday
 So close to Sunday
 Now I'm gonna do it my way
 Sleeping it all day

Vroom! Vroom! Goes my bike
 I know what it's gonna be like
 Oh my God, something's not right
 This city squeezes me tight

Friday comes and goes
 Everything's gonna be fine

Sunday I don't know
 Everything's gonna be fine
 I know what's on the road
 They can't be full of sh*t load
 Saturday! Party! Party! Party!
 I'm ready happy go lucky

Oh no! I'm so tired
 Mind, body, and soul expired
 Thank God it's Friday

I'll sleep til payday
 Friday comes and goes
 Everything's gonna be fine
 Sunday I don't know
 Everything's gonna be fine

Had it all, I've had it all
 Thank God it's Friday
 It's not a love story

Had it all, I've had it all
 Thank God it's Friday
 What's your story

Lirik lagu
Thank God It's Friday

Baby, will you find a way
 Into my arms, into my arms

Lately I'm drowning in the streams it was so
 high
 By your side

More, I need you more
 Maybe you can fly and lay beside me
 Come into my dreams I can only hope for
 more

I need you more
 Maybe you can fly and lay beside me
 Come into my dreams I can only hope for—

Maybe call me up tonight
 And make it light
 Yes, it feels right

Oh, badly
 Wish I could put my arms around you right
 now
 I don't know how

I will be coming over
 To hear your laughter every time and every
 day
 Just you and me
 It's gonna be fun

More, I need you more
 Maybe you can fly and lay beside me
 Come into my dreams I can only hope for
 more

I need you more
 Maybe you can fly and lay beside me
 Come into my dreams I can only hope for
 more

I need you more
 Maybe you can fly and lay beside me
 Come into my dreams I can only hope for—

More

BLUE SUNSET

High in the Milkyway
I see the cold blue eyes covered in tears
Drenched in a lullaby for daydreams
In the sunset by the sky

Don't move as I see you on the moon
As I see you with your gloom
Waiting for sunset to be blue

Don't move as I see you on the moon
As I see you with your gloom
Waiting for sunset to be blue

High in the Milkyway
I see the cold blue eyes covered in tears
Drenched in a lullaby for daydreams
In the sunset by the sky

Don't move as I see you on the moon
As I see you with your gloom
Waiting for sunset to be blue

Don't move as I see you on the moon
As I see you with your gloom
Waiting for sunset to be blue

Don't move as I see you on the moon

Lirik Lagu Blue Sunset

WASN'T REALLY LIKE THIS

Out the door you will find the world spins around
Out the window you will find the sky so high

Don't give up just yet
Because you'll never know
Keep on doing what you're good at
Til it's time to go

Wo o o
Wo o o ho ho

It wasn't really like this
The way it used to
It wasn't really like this

Ha-ha-ha
Ha-ha-ha
Ha-ha-ha
Ha-ha-ha

Out the door you will find the world spins around
Out the window the sky so high

Don't give up just yet
Because you'll never know
Keep on doing what you're good at
Til it's time to go

Wo o o
Wo o o ho ho

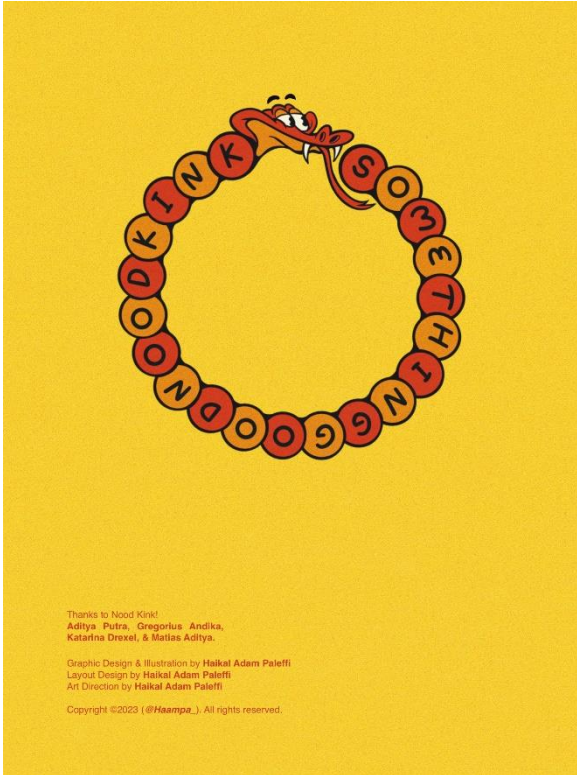

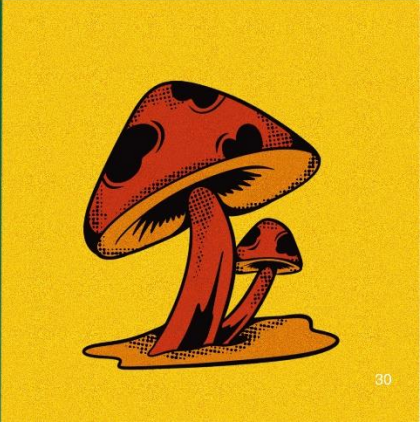

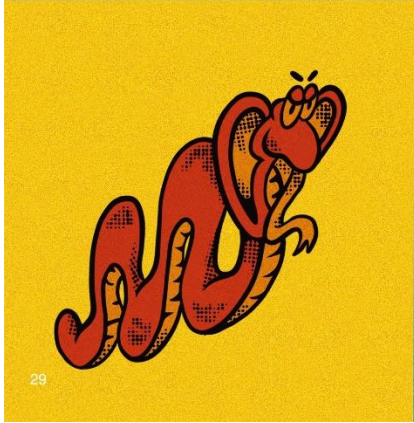

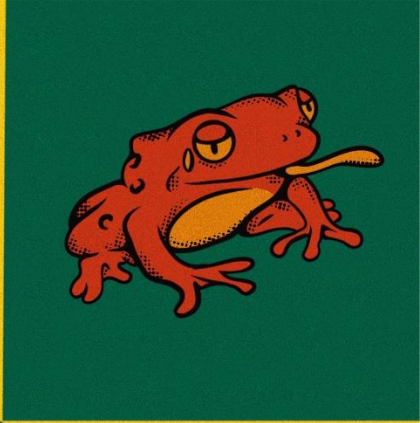

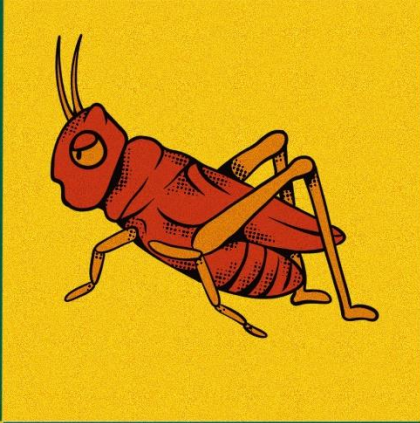

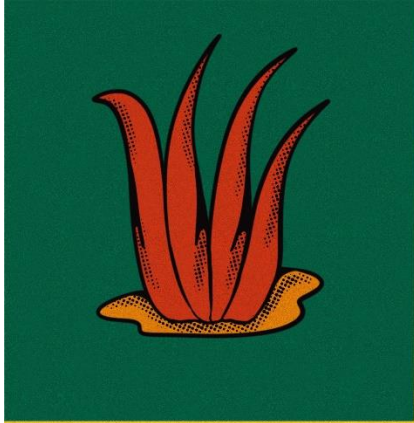

It wasn't really like this
The way it used to
It wasn't really like this

Ha-ha-ha
Ha-ha-ha
Ha-ha-ha
Ha-ha-ha

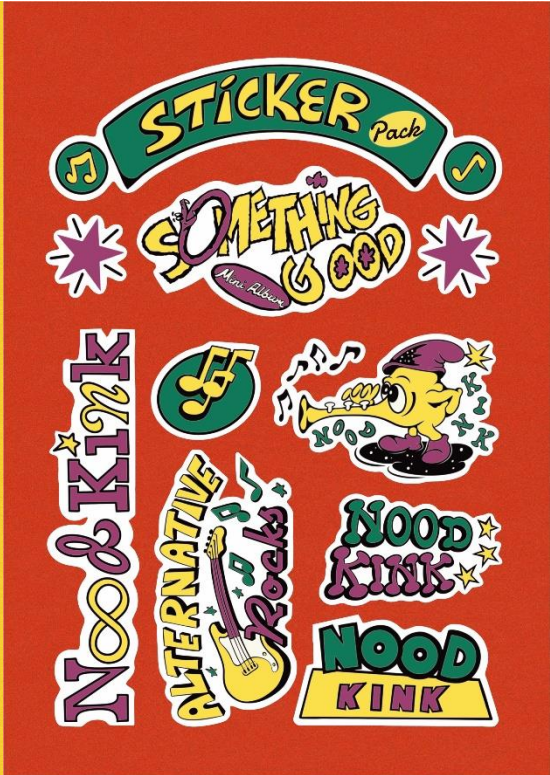

It wasn't really like this
The way it used to
It wasn't really like this
